## Sample Booking Process

### Consultation Process

For custom tattoos, send a short description of your idea, preferred placement, approximate size, reference images, and preferred artist if you have one. The artist or studio will follow up with next steps.

### Deposit Policy

A deposit is required to hold most tattoo appointments. Deposits are applied to the final cost of the tattoo and are not refundable.

### Cancellation and Rescheduling

Appointments may be rescheduled with at least 48 hours notice. Late cancellations or no-shows may result in a forfeited deposit.

### Booking Timeline

Custom appointments are typically booked 2 to 6 weeks out depending on the artist and project.

### Flash Availability

Flash designs may be available in the studio or through artist social channels. Flash designs are often limited and may be claimed on a first-come basis.
